Furniture that grows with your baby!

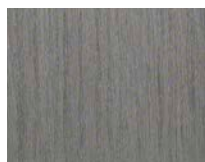

The epitome in Farmhouse Chic for nursery, the Castello Collection is a high-quality, ready-to-assemble group that is not only beautiful but very affordable.

Special Features

- A three-step adjustment in TiAmo cribs allows you to change the mattress height as your baby grows. Adjusting the mattress height is an important feature as your baby grows.
- The crib converts easily to a toddler bed, daybed, or full-size bed.
- All drawers include generous storage with euro-glide drawer glides and adult-size drawer boxes with dovetail construction and corner blocks for extra sturdiness.
- Dust covers on the drawer bottoms keep clothes clean.
- Our special Wire Brushed finishes offer a subtle texture and greater character while maintaining a smooth appearance.
